

Welcome to Sea Level Diving's Try Scuba course. Let's create your account at SSI so you have access to the training materials.

- Go to <https://my.divessi.com/register/ref/809878>. Follow the onscreen instructions to create your account.
- You will receive an email from SSI with a password to your account.
- Login to your account and complete your profile. Add address, phone and a picture (head shoulders, no hats or dark glasses).

Documents needed before your class

After you create an account, you will receive an email from Sea Level Diving with several documents to complete. Included will be:

- **Diver Medical Questionnaire.** Answer the first 10 questions on the first page by checking the appropriate boxes. Do not answer one question then draw a line down the others. If you can answer No to all 10 questions you do not need to answer the questions on the second page and you do not need a doctor's approval. Sign the form under "Participants Signature".

If you answer Yes to questions number 3, 5 or 10. You must take this form to your doctor for approval before your class.

If you answer Yes to questions number 1, 2, 4, 6, 7, 8, or 9. You must answer the questions in the corresponding box on the second page. A Yes answer, on the second page, requires you to take this form to your doctor for approval. If you answer No to the questions on the second page you do not need a doctor's approval.
- SSI Responsible Diver Code, Read and sign.
- Privacy Policy. Read, fill in training facility information (on first page) and sign.
- SSI Recreational Scuba Training Assumption of Risk, Liability Release & Hold Harmless Agreement. Read and sign.
- Youth Addendum. Only if you're under 18. Parent and participant must read and sign.
- Email these documents back to Sea Level Diving (preferred) or bring them to your class.

Home Study Requirements

Have this done before your scheduled class/pool training.

***About the digital training materials.

Using a web browser is live online and need an internet connection. The MYSSI app can download the materials to the tablet or phone. This allows you to study off line (no internet connection) however when your device is connected to the internet it will sync your progress. This allows you to switch back and forth on devices seamlessly. If you experience trouble with syncing. While connected to the internet, in the app go to settings tab, under synchronizing click on synchronize all. That should sync everything.
